Industry & Academia: The Roadmap for Open Innovation Info Session and Panel Discussion

Sheraton Hotel Newfoundland

Wednesday, July 8, 2015

1:30 – 6:00pm (Talks and Panels)

7:00 – 10:00pm (Banquet)

How can collaboration between academia and industry lead to technology advancement? What are the expectations from academia and industry? What are the challenges? How can they be overcome?

Join us to learn more about the road to open innovation from researchers, academics, senior management and business leaders from institutes such as:

- **Cisco**
- **Altera**
- **Ciena**
- **Alcatel-Lucent**
- **University of British Columbia**
- **Santa Clara University**
- **Northeastern University**

Networking opportunities available with conference participants from outstanding research facilities including:

- **Harvard**
- **MIT**
- **University College, London**
- **INRS**
- **York University**
- **University of California**
